

From The Ground UP! Creating a Solid Horsemanship Foundation

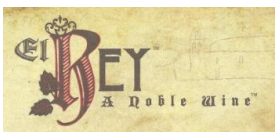

A & A Equestrian is proud to present a demonstration of the training scale using ground-work and how it applies to YOU! Watch Agapito and Adrianna exhibit the tools and skills necessary to achieve success starting on the ground and moving up into the saddle. Whatever your goals may be, whatever your background, these building blocks will create a solid foundation for you and your horse.

September 21st, 2014

3:00 PM – 6:00 PM

A & A Equestrian: 586 N. Refugio Road, Santa Ynez, CA 93460

- Starting young/green horses OR re-starting a horse with fear, anxiety and/or bad habits
- Herd behavior and dynamics and how we use this information in training
- How does ground work translate to work under saddle? What are the advantages?
- Training progression, how to evaluate your horse and determine how training should progress.
- Wine from Kalyra Winery and El Rey as well as delicious snacks and PRIZES!

Join us for an evening of horses, learning and fun at A & A Equestrian during our September open house!
